Kitalah puteri harapan bangsa Berkumpul dari seluruh tanahair
Menuntut ilmu tekun dan usaha
Cabaran kita semua
Berpandulah Rukun Negara
Amalan kita semua
Kehadrat Allah kita berserah
Tentu kita berjaya
Bangunlah puteri oh bangun
Harum nama sekolah
Majulah puteri oh maju
Bela bangsa negara
English Version
We are the hopes and the pillars of the nation
Gathered from each state throughout the nation
To study diligently and to gather knowledge
Facing challenges patiently with heart and soul
Arise always puteri arise
To brighten the school
Seri Puteri
Onwards march puteri onwards
Loyal to your people and the country
We face tribulation with patience
And we live by the Principles of Rukun Negara
And our trust in God in whom we do surrender
Surely success will follow with perseverance
